

The Journey

Late 1995—A request was made to develop a 5 acre piece of property for an orphanage.

1997—Kitwe City Council agreed to allow the property to be developed for the project. The long range design plan was to meet the following needs:

- Provide a school for grades 1-9
- Housing for approximately 120 children
- A medical clinic to minister to the orphans
- An administration block
- A multipurpose building for large group meetings and activities
- Housing for staff and short term volunteers

Also, a monetary gift was given with which a stove was purchased. They used the stove to bake bread for sale. The profits went toward the start of a security wall around the orphanage.

1998-99—Classes were offered through grade 2 after charitable organizations offered to help with books and materials. A small security building was built and used as a classroom.

July 2000—Rev. Chanda bid \$3000 (he had \$0) on a plot that had an asking price of \$12,500. His bid was accepted! God provided \$9000! The plot was purchased and the 6000 sq. ft. building was completely renovated and repaired. It is the Chande Baptist Orphanage Training Center.

Jan 2001—230 Children attend grades 1-5 at the Chande Baptist Orphanage Training Center.

Today—There are over 1,000,000 orphans in Zambia. The school has now expanded to grades K-9 and there are 400 children, including 170 orphans in the Chande Baptist Orphanage School. Volunteer teams from First Baptist Church in McLean, Virginia have helped to train Chande teachers on several occasions. Inglewood Baptist Church in Grand Prairie, Texas have led Holiday Bible study for the last several years. In addition, 15 children are being supported through the orphanage ministry who go to public schools (grade 10-12.) Attendance to public school for Higher grades is only available to those children who can pay.

Over 1 million orphans in Zambia

The Chande Orphanage Ministry

God is doing great things through the efforts of the Chande Baptist Orphanage Project.

In February 2006, the orphanage ministry sought the help of the local villagers to help build a school in a rural area 12 miles outside of Kitwe. There are now 100 children in attendance, many of whom had never attended school.

A volunteer team from Inglewood Baptist Church worked with Rev. Chanda to witness in the area and a new church has been started there in the school building in the village.

In addition, a second school has been started in Maposa, Zambia and as a result of this ministry the villagers have asked that a Baptist Church be started after seeing the caring heart of the Baptists working with their children.

An Exciting Outreach

In 2005, Pastor Chanda took a team of men and ladies to Congo to conduct crusades. Volunteers from College Heights Baptist Church in Casper, Wyoming conducted training and discipleship in 2007 and 2008 for Congolese pastors. They have also helped with the orphanage building projects and raised funds for a brick making machine.

In 2009 a team of volunteers from Inglewood Baptist Church led training for Pastors in Congo, and also ministered to the Twabwa tribe, an unreached people group.

As a result of Pastor Chanda's initial outreach missions and the outreach of volunteer teams from churches in the U.S., there are now more than 40 churches in Congo.

Supporting The Chande Project

Thank you for your support of the Chande Baptist Orphanage Project. Please provide your information below so that we can help you to get involved with this mission.

Name _____

Address _____

City _____

State _____ Zip _____

Telephone _____

Email _____

Today's Date _____

Please indicate how you wish to contribute:

◇ Make a one-time contribution of \$ _____

◇ Sponsor a child for \$30 a month

◇ Sponsor a child for 1 year of high school (\$100)

◇ Sponsor a child for 3 years of high school (\$300)

◇ I wish to receive Chande Project updates via email.

Question & Answer

What does \$30 a month cover?

This covers primary school education at Chande Baptist Orphanage School, food, clothing, and medical care. For children in grades 10—12 to attend the government school, they must be able to pay \$100 per year. If they do not have the funds they are not allowed to continue their education. Supporters are welcomed to give more if they feel led.

How much is needed to complete the building project for the orphanage?

The facility that will house orphaned children is still under construction, approximately \$15,000 is needed to finish the building project and make the facility suitable for housing children.

How can I correspond with the child I support or with Rev. Chanda?

Pastor Chanda's email address is chandeproject@zamnet.zm. If you are referencing a specific child, please, note their name in the subject line.

Prayer Requests for The Chande Project

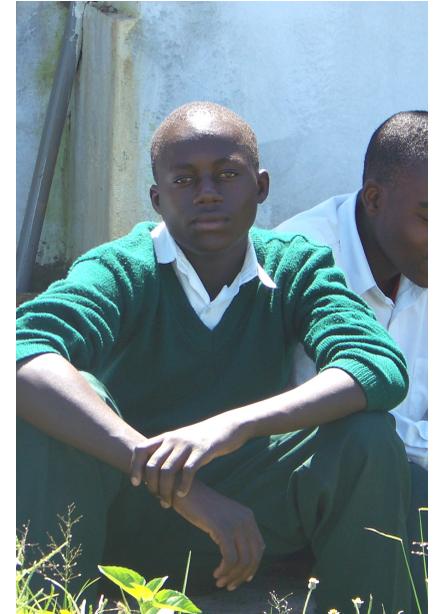

- Pray for Rev. Patrick Chanda and the Board that plans for and directs the orphanage.
- Pray for the teachers at the Chande School as they teach the children.
- Pray for the new school that has been started in the rural area.
- Pray for the development of ministry in the neighboring country of Congo among two unreached people groups that have been impacted by the Chande Baptist Orphanage partnership. There are 34 New churches in Congo that came about largely through the influence of the Orphanage team ministry.
- Pray for the new churches that have come from the outreach ministry of the Orphanage Project and local churches sponsoring the Orphanage into the neighboring country of Congo.

The Commitment

In 1995, Rev. Patrick Chanda attended the funeral for a member of his church and heard the man's son cry out, "Who will be my father?" The Lord impressed Rev. Chanda to go to the boy and tell him that God is a "Father to the fatherless" and that he would be his father.

"Who will be my father?"

During this time, Rev. Chanda became aware that 25% of the population of Zambia was infected with HIV/AIDS and many were dying. Two churches began helping 50 orphans with school fees, food, and clothing. However, at the end of the day they had no place for the

children to stay. As the number of orphans began to grow Chamboli Baptist Church and Ndeke Baptist church, where Rev. Chanda served as pastor, decided to commit to an orphanage project.
